**Task Chair**

Assembly Guide

STN50HA model shown for illustration purpose only

## Assembly Instructions

---

### Step 1

Take the **gas lift** and drop into the centre of the **base**

---

### Step 2

Now pick up the **seat** and slot into position on the **gas lift**

---

### Step 3

Now slot the **back** into the **seat** and tighten the wheel once the back has been inserted.
